

PLEASE REMEMBER: *There is absolutely no food or drinks (other than water) allowed in the studios UNLESS approved by Coach Prima. Also, if guests leave food/crumbs/trash in the studios lobby, please help us to keep our space clean and ant-free by picking up after them. The director will be available to help Monday - Saturday, but they do not work 24/7. Your cooperation will help us to keep our building maintained and allow for future rentals . Thank you for respecting our space and treating it with love and care !*

IMPORTANT REMINDERS: *Please help us keep the studio and common areas running smoothly by adhering to the following policies:*

- *Please pay all studio fees before your class takes place in order to lock-in studio space.*
- *On Tuesdays the church will have service and will need the radio turned down a little during 7:30-9pm hours. Sundays before 1pm.*
- *Please be mindful that practice is being held while having guests in the lobby or waiting to come in. Sometimes It can be very distracting and disturbing to classes in session and to people waiting for their classes to begin when there is a lot going on.*
- *Food/Drinks and street shoes are not allowed on the studio floor.*
- *Renters are not authorized to use any of Prima's Pink Dance Studio LLC equipment, except for the sound system, tv, xbox, for their classes (unless authorized by management).*
- *If you move, unplug, or change something, please put it back the way you found it!*
- *If you bring in equipment/props/decorations, please remove them from the space when you are finished with your rental time. This includes tape on the walls or floor.*
- *Please do not touch the mirrors, and help your clients to remember that rule as well. Clean if touched.*
- *Please do not remove or change ANYTHING on the snack bar or in the studio .*
- *This facility is NOT a club, please do NOT run it as such (any gathering needs to be approved).*

Fees can accrue if any of these are breached. Thank you in advance for your attention to these details, and for respecting our space and policies. As well for your love and support.

Have a great day!

-Prima and the Pink Dance Studio LLC Team
